I engaged with the speaker (Chris Hall) only 5 weeks prior to my event.

The speaker was 100% professional, attentive, quick to respond and a pleasure to deal with.

The speaker facilitated a full day and not once did I look at my watch wondering how long to the next break. The speaker was extremely engaging and I would certainly recommend him to friends and colleagues.

BROWSE Events recently had Chris Hall from Be What You Want MC and speak at our Inaugural event 'Inspirational Evening With Lorraine Murphy' held on the evening of Thursday, 5th July 2018 at the Central Coast Grammar School. Chris went above and beyond, not just during the event, but before and after the event date too. He is an exceptional MC and Speaker and we will definitely continue to work with Chris at our next series of events here on the Central Coast and also in Sydney. I would highly recommend Chris Hall from Be What You Want. 5 stars!

The Strengths Seminar delivered by Chris Hall carried out exactly what it was meant to do: that is to help our students understand and master their natural strengths, then garner a real sense of direction and purpose based on what they are naturally good at.
